

Learn to Play Rugby with Wheatley Rugby club

Mini rugby is a great way for children to have fun, make friends, keep fit and learn to play in a team. If your child would like to learn to play then come along to Wheatley Rugby Club.

Years 1, 2 & 3 are coached in tag rugby: ball handling, passing and the principles of the game without physical contact.

At **Year 4** additional skills including tackling are coached and more elements of the game are introduced progressively to the age of 12.

Wheatley Rugby club is a small and friendly club. It is committed to fair play, respect for other players and above all providing an environment for the children to enjoy themselves learning new skills, playing together and making new friends.

Sunday mornings from 10.30 to 12.00, September to April. We meet at Holton Playing Fields, opposite Wheatley Park School.

Come and try it for **free** - for lots more see our website:
